Office Hours: Mon and Wed 2:10-3
and By Appointment.

Required Text: *Formal Logic, Its Scope And Limits*, by Richard Jeffery.

Material To Be Covered: Selected material from Chapters 1-4.

Final Exam Date: Tuesday, March 13 at 12:20 p.m.

Basis For Grading: There will be three examinations in addition to a final examination. All exams are required. The final grade will be determined on the basis of performance on the examinations with the following understanding in mind: additional weight will be given to the final examination and trends in a student's performance on the examinations will be taken into account in the determination of his or her final grade.

Attendance Policy: Expected and encouraged, but not required.

Policy Concerning Academic Dishonesty: Anyone found guilty of academic dishonesty will receive a failing grade for the course and be reported to the Dean.
